Feature

Magnetic coupling with stable performance

Wide operating temperature: -55°C ~ 125°C

No bias current required, reduces standby power consumption

Up to 5000 VAC isolation voltage
Creepage distance >8 mm

UL62368 and TUV (IEC62368) certification

CQC certification per GB4943.1-2022

VDE (IEC60747) approved

Applications

- QC / USB PD / programable AC/DC chargers
- Adapters
- AC/DC auxiliary power

LSOP-4 package
